

ST-102 SERIES ASSY

3 POS switch operation ON/OFF/ON

MOUNT, PLUG IN
AND READY FOR USE!

Steady &
Flashing

Features:

- LED Light is 52mm (2") Diameter
- Plug In & Operate
- Steady / Off / Flashing Model
- Economically Priced

Common Uses:

- Order Status or Stage
- Department Call Light
- Team Leader Assistance
- Stoppage or Line Alerts

Indoor LED Tower Lights are designed for light signaling in order to display the status of a variety of processes. They give personnel instantaneous visual indication on the factory or warehouse floor at a glance.

These assemblies use LED technology for long life span. These lights are pre-wired for steady and flashing capability using three position Steady/Off/Flashing.
